## Junior Coaching Application Form

The league will be running a Spring coaching course over 11 Sundays. It will be similar to the last session with a mix of coaching, exercises and some competitive play, for boys and girls aged between 7 and 16 and will run from Sunday 6<sup>th</sup> April 2008 to Sunday 15<sup>th</sup> June 2008.

Venue – New Sports Hall at Warden Park School. **Correct footwear must be worn. Please arrive on time.**

There will only be one session for both beginners and improvers: 5.00 – 7.00 pm (£24.75)

We have found in the past that players gain most by attending on a regular basis. We do however appreciate that some players may be unable to attend every week, and we will therefore be offering the opportunity to pay weekly at £3 per week (compared to the £2.25 per week if paid in advance).

If you feel that 2 hours is too long, the players can stop at any time. We will also have a short break after an hour so players can rest and get a drink.

Bats and balls can be borrowed free of charge, but we encourage the better players to purchase their own bat and cover, and we have some for sale at reduced prices.

**Please complete the form below (one for each applicant)** and send to the address below together with your cheque made payable to Haywards Heath & District Table Tennis League. **Form to be received no later than Sun 6th April 2008.**
