Sunday Practice - 6th April to 27th April

The League has been approached by a few players asking if Sunday practice will be continuing. We have given this a lot of thought.

We want to encourage players of any age (7 plus) to come and play table tennis. We have a coaching program organized which will be for junior players only (aged 7 to 16) from Sun 6th April to Sun 15th June (11 weeks). We normally book the small hall for this and can cater for up to 15 players. This will not leave any space for players to practice if they are not involved in the coaching.

Booking the larger wooden floor hall represents a significant increase in weekly rental. The League is prepared to run a pilot for the 4 Sundays in April. If the number of practice players covers the increased cost of the hall, we will consider extending the hiring into May. We will make at least 4 practice tables available during April.

We are looking for players to commit to playing every week, and have agreed the following

Pay for 4 Sunday sessions at £8

Pay weekly at £2.50 per week

PLEASE NOTE: Practice times will change to 5pm - 7.30pm

Please complete the form below (one for each player) and bring this with you on Sun 6th April.

If you have any questions, please contact Lyle Cyster on 01444 457522 or at Lyle.Cyster@LloydsTSB.co.uk

-----DETACH-----

For information, please indicate how you heard about the practice.
